

3M™ Volition™

UK (86x86mm) Faceplates and Adapters

LJ6C Style

LJ6C Style Faceplates and adapters

The 3M Volition UK LJ6C faceplate range can be loaded with 3M K5e, K6 or K10 jacks to provide the following configurations

- Single Gang, 1 port
- Single Gang, 2 ports
- Double Gang, 4 ports

The LJ6 style offers flat front faceplates which are supplied with M3.5 fixing screws for convenient installation

For mounting 3M Volition K5e, K6 and K10 jacks (UTP, FTP or STP) into the faceplates a single keystone LJ6C style adapter is offered. These are available in flat format or angled format, useful where patchcord space is limited. Blanking inserts are available to cover ports which are not in use.

The adapters may be used in the faceplates or on their own in floor boxes. The adapters have a space for a label above the port.

Features

- Fits standard 86 x 86mm UK back boxes and floor boxes
- Flat and angled adapters
- Faceplates supplied with screws

Benefits

- Versatile positioning in a wide range of trunking and outlets
- Exit angle of patch cord can be changed depending on the adapter choice
- Convenient for quick installation
